RECOMMENDATION LETTER

To Whom It May Concern:

It is my pleasure to recommend the consulting services of Trajkovski & Partners Consulting to you. During the past twelve/ten months, MASIT – Macedonian ICT Chamber of Commerce has worked directly with the Trajkovski & Partners Consulting company team, represented by Mrs. Jasmina Trajkovski, on the project Centre of Excellence and Innovation - CEI. The representatives from the companies - CEI members collaborated with Trajkovski & Partners Consulting on this project for implementation of the task **Regulatory privacy and security analysis and guidelines for MASIT CEI on Hybrid cloud solutions for SMEs.**

Trajkovski & Partners Consulting were hired for this project with its best experts, resulting with quality documents for the proposed task.

The Consultant successfully, responsible and according to the project terms conducted the following activities:

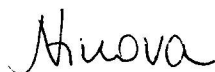

- Analysis of regulatory requirements for cloud applications and services for SMEs
- Development of privacy impact assessment and security impact assessment guidelines for cloud applications and services
- Develop regulatory documentation for cloud applications and clear guidelines covering privacy and security issues in development of cloud applications and services

In closing as detailed above, based on our experience working with Trajkovski & Partners Consulting I feel confident in recommending their consulting services. They are not only thorough, but also easy to work with, and always willing to take the time to discuss our concerns and respond to questions.

If you have any further questions, please feel free to contact me.

Sincerely,

Anita Nikova

MASIT, Executive Director
